Ordinance No. 2000-697, as adopted October 10, 2000, by the Mayor and Council of the City of Goodyear, provides authority to the Public Works Director to: 1) prohibit the opening, cutting or excavation of any street or sidewalk without approval of the Director; 2) establish permit, indemnity, and bonding requirements for work within the City's easements or right-of-ways; 3) establish permit, inspection and surcharge fees for person requesting to work within the public right-of-ways and easements by cutting the pavement and/or sidewalks.

SUBMIT THE FOLLOWING FOR A PAVEMENT CUT

Prior to any plans being accepted by the City of Goodyear, the following worksheets must be completed. Place a check in the blanks provided to indicate the item is complete. This check will serve as verification of a proper submittal. Plans will not be reviewed unless all items have been submitted for review.

_____ **Pavement Cut plans – 2 sets** (indicate all measurements, distances, area calculations, street lines, conflicting utilities, sidewalks, curbs or other objects that may affect the work. Please include a vicinity map.)

_____ **Performance Bond** (Must be equal to the cost of work being applied for, letter of credit or certified check of equal value may be accepted in lieu of Bond)

Pavement Cut fees will be determined during City Review using the following worksheet.
