

Visioning Workshop Ideas

The Big Picture for Goodyear

More than just a collection of neighborhoods, we are a connected community. Our goal is to utilize our existing assets to foster the arts, entertainment, and recreation while we build industries, educational institutions, and infrastructure to promote one Goodyear. (11 out of 43 stars)

Vision Mission Statement

“Create a highly desirable place for all to live, work, and play by enhancing Connectivity within the city and collaborating with other west valley Communities.” Aka Synergy (2/ out of 43 stars)

Ohana (Hawaiian for One Family)

Goodyear is a community of caring that celebrates and promotes the individuality of the communities well being and encourages connectivity through commuter rail, bus systems bus pedestrian access. Supports for front porch communities, parks, community gardens, trees, allowing us to work/play/ educate ourselves where we live in our communities. Diversity of Lifestyle is celebrated through the arts, nightlife, housing and educational opportunities. A community for all generations. (4 out of 43 stars)

A City of Life Amenities or Goodyear . . . a destination City

“Our dynamic Goodyear incorporates easy access transportation, higher education, “art”ification, and recreation” Our desirable city vision includes a library, botanical gardens, a water park, the development of Bullard wash to include shaded trails and walk able paths connecting neighborhoods. (1 out of 43 stars)

Goodyear- Where the Good is all year round!

To establish a bold and innovative plan that ensures a diverse and sustainable community incorporating our natural, human, and cultural resources.

- Through the development of Bullard Wash and Estrella Mountain for recreation and quality of life.
- Preservation of agricultural history with community gardens and farmers markets.
- Downtown hub providing family and community oriented activities and lifelong education, arts and culture.
