

Deferral Request Form

Engineering and Development Services 14455 W. Van Buren St, Bldg D, Goodyear, AZ 85338 (623) 932-3004, Opt. 2

PLAN DEFERRAL GUIDELINES (Per Section 107.3.4.1 of the IBC)

A Deferral Request Form shall accompany the Building Permit Application for the primary permit. The request will be reviewed and approved or denied along with all submitted plans and documentation.

Only the drawings referenced below may be considered as a deferral request:

- Special Structural Components
- Racking
- Trusses

When approved, a Deferral Application along with two complete sets of the deferred plans shall be submitted within 45 calendar days of the primary building permit being issued. In addition, no rough (frame, electrical, plumbing, or mechanical) inspections shall be scheduled prior to permit issue. Please consider the applicable review time frames when requesting a deferred plan submittal.

A fee of \$175.00 will be assessed for each deferred item requested and must accompany the deferred plan submittal.

In the event the deferred plans are not received within 45 calendar days of the issuance of the building permit for the project, the Building Official shall issue a stop work order on all work at the site.
