In order to maintain a safe, educational and fun atmosphere for all RECREATION participants staff are responsible for consistently enforcing the established rules and regulations of RECREATION. When a violation of these rules occurs the first step of discipline is a verbal warning and re-direction of the program participant. If this is unsuccessful, the second step is a time out from activities and contact made with the parents. This may also be done in the form of a Discipline Ticket. The Recreation Leader on site will discuss the incident(s) with the parent and ask that they assist in reinforcing the following RECREATION site rules. Repeated incident or negative behaviors which put a child at risk for injury may warrant a suspension from RECREATION. Suspension will be authorized by the Recreation Coordinator and explained to the parent by the Recreation Leader.

Please read over the following RECREATION Rules with your child and be sure that he/she has a clear understanding of their position behavioral expectations while participating in RECREATION activities.
