Section 2 – Architect or Engineer Responsible for Special Inspection

I certify that I am familiar with the structural design of the above referenced project and in accordance with Section 107.1 and 1705 of the 2018 International Building Code as adopted by the City of Goodyear, I hereby assume responsibility of executing the required special inspection(s). The following individual(s) will be special field inspector(s) under my direct supervision and shall be on the job site to render competent inspections for the work assigned in conformance with the approved design drawings and specifications.

	Inspector	Type of Special Inspection

Each above named special inspector has demonstrated competence to the satisfaction of the Building Official for inspection of the particular type of construction or operation requiring special inspection.

Building Official: _____ Date: _____

Section 3 – Certificate of Compliance

	I certify that to the best of my knowledge, the requirements of the approved plans for which special inspection is required Section 107.1 and 1705 of the 2018 International Building Code have been complied with. A guarantee that the contractor has necessarily fulfilled obligations of his contract is neither intended nor implied.
