Adopt a Park Maintenance Agreement

Thank you for participating in our Adopt a Park program. You not only are making a positive difference in your community, but also providing a team-building exercise for your group! By agreeing to Adopt a Park, you will be joining in a partnership with the Parks & Recreation Division that we hope will make our community a better place for all. Staff in the Parks & Recreation Division will be able to help you with professional advice and garbage bags. We request that participating organizations bring any other tools you might find necessary to complete your work. We are asking that you commit to one year of maintenance consisting of:

- Picking up trash and litter
- Raking leaves, pulling weeds and fluffing playground sand
- Sweeping all hard surfaces (e.g., basketball courts, sidewalks, ramadas, etc.)
- Reporting any vandalism, dirty restrooms, unsafe conditions and/or necessary repairs
- Special projects that may be assigned by Parks & Recreation staff.

We request that you commit to one day a month. If at any time you find that you are unable to continue your commitment to your park, please let us know as soon as possible so we can continue to keep this park well maintained and attractive.

In exchange, this City is happy to provide:

- A 12"x18" sign showcasing your name
- Your organization's name will be posted on the City park website of the park you have adopted
